CENTURION'S ROLLER DOOR FEATURES

- 1**

Our Roller Doors feature enclosed helical springs, revolving on arguably the strongest and most heavy duty nylon drum wheel available. Cycle tested to 20,000 cycles to ensure years of trouble free, smooth and quiet operation.
- 2**

Our Roller Doors feature premium grade nylon webbing to both sides of the door curtain. This eliminates metal on metal contact, providing a smooth and quiet operating door for years to come.
- 3**

Our Roller Doors feature heavy duty extruded aluminium bottom rails, with purpose designed finned UV stable PVC weatherstrips.
- 4**

The centre lift lock features external key operation, ergonomic recessed lifting point and internal convenient snib action unlocking.
- 5**

We have 3 different track designs, our A Series track for doors up to 3100mm wide which features our unique roll formed safety edge system, our AA Series track for doors up to 5400mm wide which features heavy duty genuine BlueScope Zincalume and our revolutionary new high security high wind system made from an incredibly thick and strong high performance grade aluminium.

CENTURION'S HIGH SECURITY, GALE PROOF RANGE OF ROLLER DOORS

Centurion's range of High Security, Gale Proof Roller Doors have been developed from the same innovation and technology used to create our Cyclonic range of doors, to produce a more economical door without compromising on safety or security. Our High Security, Gale Proof Roller Doors have been engineered to ensure that your home and belongings will stay protected from the prevailing winds that Australia is renowned for.

SAFER

DEVELOPED FROM THE SAME INNOVATION AND TECHNOLOGY USED TO CREATE OUR CYCLONIC RANGE AND IS DESIGNED TO OFFER THE VERY BEST IN STORM PROTECTION.

QUIETER

ALL OF CENTURION'S GARAGE DOORS HAVE BEEN DESIGNED FOR SMOOTHER AND QUIETER OPERATION.

SECURE

FEATURES A UNIQUE HIGH SECURITY RETENTION SYSTEM TO HELP CREATE AN INCREDIBLY SECURE DOOR IDEAL FOR WAREHOUSES, FACTORIES AND THE FAMILY HOME.

BETTER

COMPETITIVELY PRICED WHICH IS UNEXPECTED FROM A GARAGE DOOR THAT OFFERS THE BEST IN SAFETY AND SECURITY.

WE'RE ALL ABOUT SAFETY

The Colorbond® swatches and images shown have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect the colour tones. To determine the most suitable material for our project, please contact Centurion Garage Doors.
