

Centurion Garage Doors

TimbaLook

The Eco alternative to timber garage doors

High in appeal but low in maintenance! Achieve the ultimate natural timber look with Centurion's "TimbaLook" Sectional Doors.

Made from premium grade steel and finished to look just like real timber, these doors come with all of the upsides and none of the downsides of a real timber garage door.

BUILT TO LAST. MADE TO PERFORM.

LOOK AND FEEL LIKE REAL TIMBER!

Do you want to add a warm, natural, and timeless look to your home's facade?

Our "TimbaLook" doors are available in a range of timber finishes, so you can choose from a variety of styles to best match your home.

We will design your "TimbaLook" garage doors to suit your budget, style and specifications.

ECO-FRIENDLY

BETTER VALUE

THE LOGICAL CHOICE

Real timber doors are expensive and difficult to maintain.

Our "TimbaLook" doors are made from highest quality steel instead.

This makes them lighter, much more durable and better value than real timber. All-in-all, our "TimbaLook" garage doors are the environmentally friendly choice that doesn't break the bank!
